A Message from Your

CLASS OFFICERS

Alex McDonald
Class President

Caitlin Tavares
Vice President

Erin Thibeault
Secretary

Alex Backlund
Treasurer

Dear Class of 2018,

As we reminisce in these past four years, let us be grateful for the many opportunities and experiences we've been so fortunate to share. The knowledge that we have gained from attending a vocational school has shaped our career skills and helped guide us to a brighter future, and the hands-on skills we have developed through our respective shops assists us in standing out to employers, colleges, and the military.

We should also take great pride in our many collective achievements. From students progressing to the SkillsUSA Nationals, Robotics worlds competition, and athletic championships, to successfully tailgating Tri-County before classes in the morning, we've all come a long way since our freshman year. May the mark we made on Tri-County be remembered for years to come.

Congratulations, good luck in your future endeavors, and Greg on 3.

Sydney (Alex) McDonald, *President*
Caitlin Tavares, *Vice President*
Alex Backlund, *Treasurer*
Erin Thibeault, *Secretary*

HAPPY RETIREMENT

Thank you for making a difference!

Mrs. Jean George

Vocational Director

Jean George began her career at Tri-County in the Child Care Program. During her 38 year tenure, the program saw some name changes. Child Care became Early Childhood Careers, and then changed to Early Education, to align with the Early Education and Care Vocational Technical Education Frameworks that Jean coordinated with the Department of Elementary and Secondary Education. As a teacher, Jean held many roles at Tri-County, including: being an advisor for student council; playing on the faculty golf league; being a member of the TCTA executive board and negotiations spokesperson; starting the Mentoring Program; leading professional development at national High Schools That Work Conferences; and being the Early Education Strand Coordinator for MAVA.

Jean's sound understanding of human development and her passion for children never waned, and continued to grow, as she moved into the administrative role of Vocational Director. Jean firmly believes in treating each student with respect and kindness, and she models that behavior. Her dedication to learning and adapting with the changing times shows her commitment to education, the students she works with, and the teachers she supervises. She has been a great mentor, advocate and colleague. Above all, Jean truly appreciates and understands the work that is done in all the vocational areas, and supports the efforts of students and teachers alike. She has been a champion of vocational education and our students, and she will be missed. We wish Mrs. George well in her retirement as she enjoys spending time with her family and playing golf. Thank you for your dedication, Mrs. George!

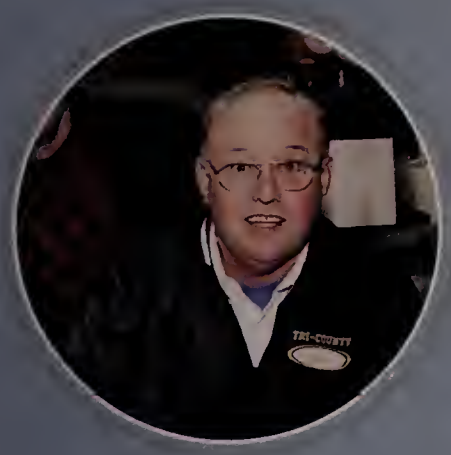
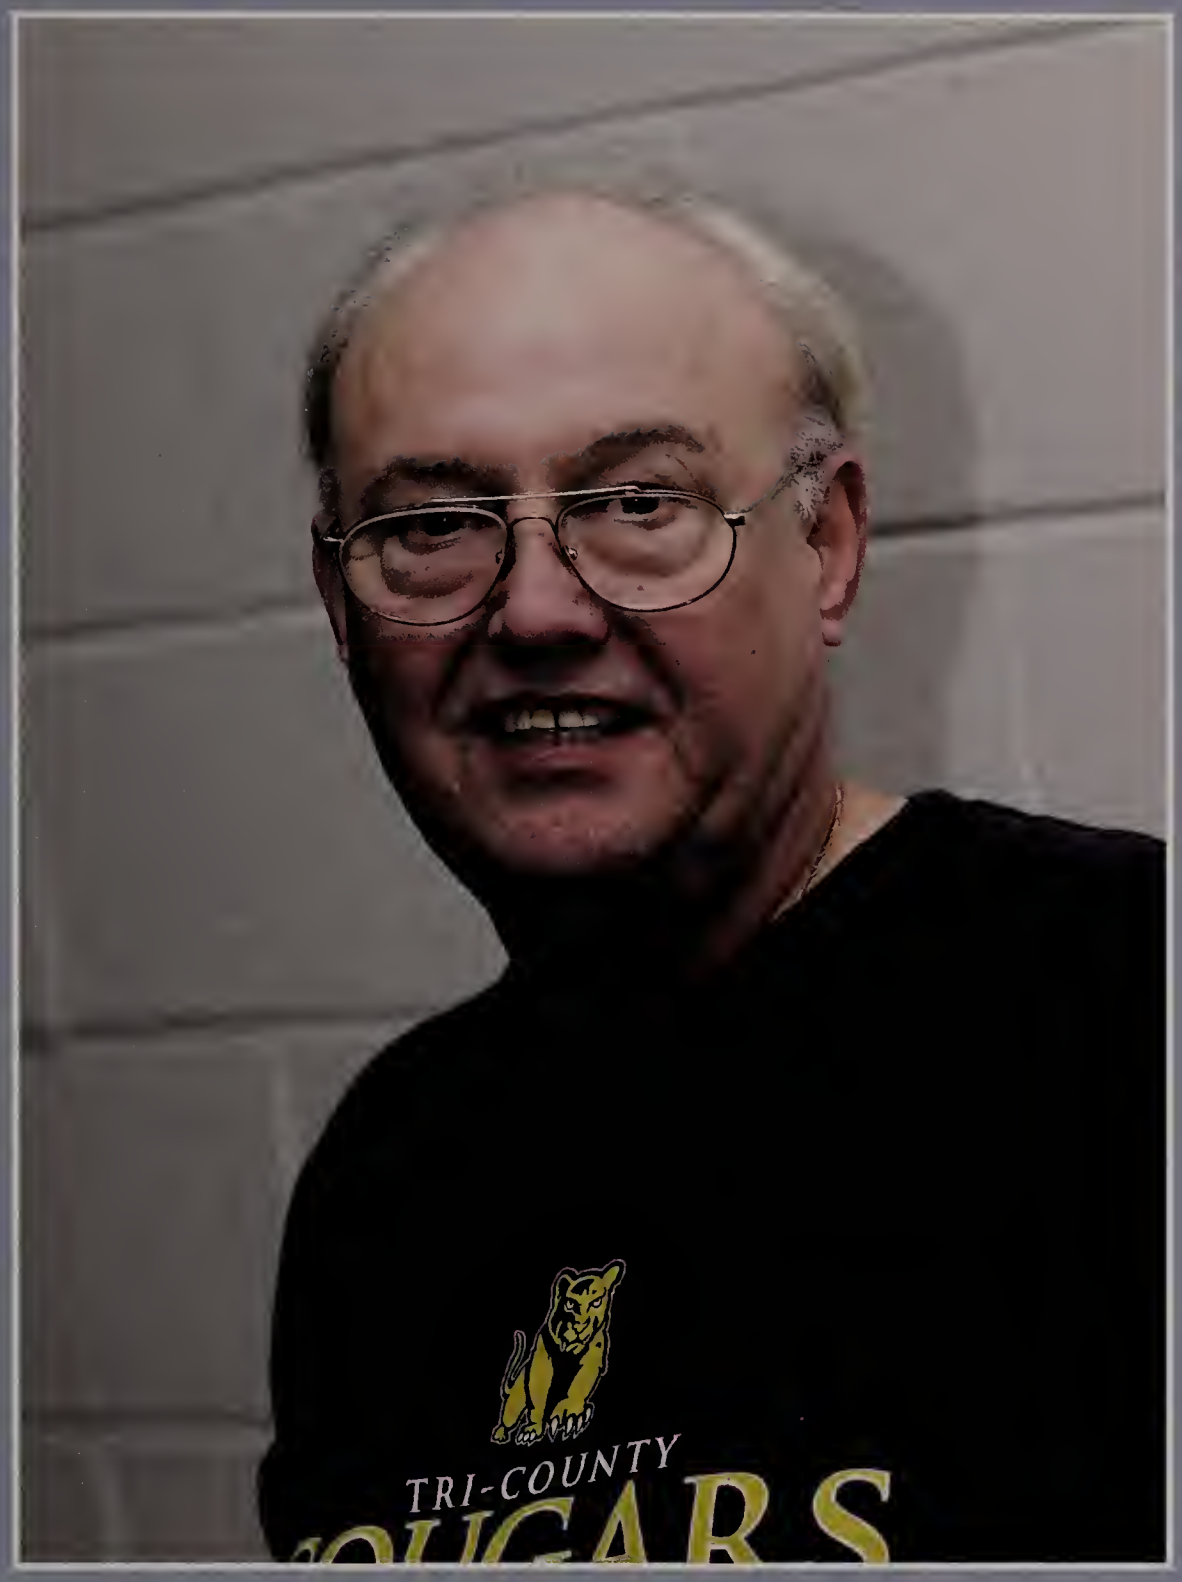
Joe DeCotis

November 30, 1945 - October 5, 2017

JOE





The Man, the Myth, the Legend.

Mr. DeCotis was a staple at Tri-County for the last 22 years. In November, sadly our beloved Joe passed. As part of the facilties crew Joe touched many lives on a daily basis. He always had a friendly greeting or a helping hand for students and faculty alike. Joe was one of a kind and will be missed by students and collegues.

Congratulations Maggie!

You did it and we are so proud!
Love to you always...

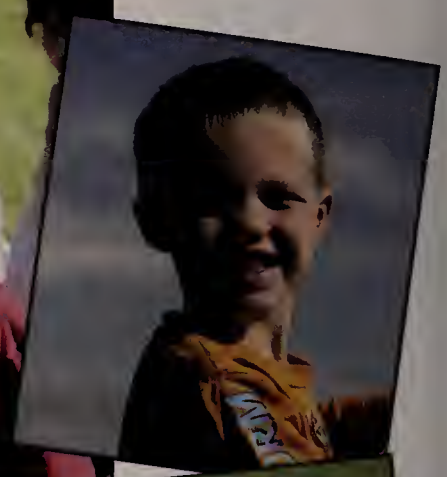
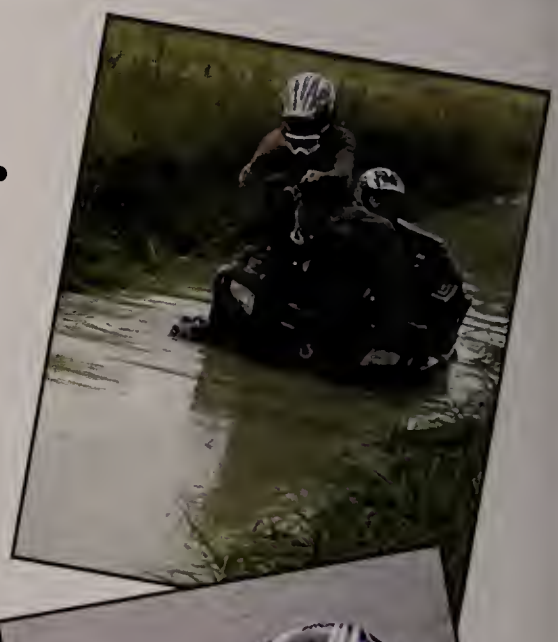
Trevor Langille



Keep smiling - it looks good on you! Best wishes on the next phase of your Journey. Love, Mom and Dad

ANDREW ANGELL

Drew,
Who would've thought this day would come...AMEN!! Since we can remember you would much rather be outside riding your gas powered toys than doing your school work. Although you weren't an average child when it came to school, your graduation proves everyone wrong, Our proudest moment is telling others that you are our son!!! We are so proud of the man you have become. We wish you the strength to face challenges with confidence, and the wisdom to choose your battles carefully. We wish you adventure in your journey, and may you always stop to help someone along the way. Listen to your heart and take risks carefully and remember how much you're loved. Congratulations on your graduation! Love Mom, Dad, & Amanda



David Foster

David, take pride in how far you have come & have faith in how far you can go. You will do amazing things in this world that is excited to welcome you.
Love Always - Mom and Dad

Erin Thibeault

Congratulations, Erin!

We are so very proud of you and all you have accomplished but we know the best is yet to come!
Love,
Mom, Dad, and Lauren

Take pride in how far you've come. Have faith in how far you can go. But don't forget to enjoy the journey.
